The Directory of
**Social Services for the
Manchester/Derry/Salem Region**

Cover: *Artist rendition of the Manchester Veteran's Memorial located in Veteran's Park on Elm Street.*

The image was chosen as a tribute to Gerard "Monty" Montembeault, who proudly served in the Navy during World War II. He believed in honoring his fellow servicemen, so we choose this image as a mark of respect to Mr. Montembeault and all men and women who are now or who have previously spent time in service to our country.

The Directory of
**Social Services for the
Manchester/Derry/Salem Region**

Dear Members of the Greater Manchester Community,

For more than 15 years *The Help Book: The Directory of Social Services for Greater Manchester* was published by Southern New Hampshire Services, Inc. It served as an invaluable reference book for information and referrals within our community.

Today, Granite United Way is pleased to present it in its printed form again. Just like *The Help Book*, this book is a directory of social services, a convenient resource for the wide range of services available within the Manchester/Derry/Salem region. This directory provides names, contact information, web addresses and descriptions of a wide variety of services available to you. I also encourage you to dial 2-1-1 for the most up-to-date social service information from United Way's award-winning information and referral service, 2-1-1 NH.

In the spirit of United Way and working together to advance the common good, we hope this directory will provide our community with the necessary information to obtain services or support local charitable organizations.

This directory was made possible through the generosity of Eva M. Montembeault, in memory of her husband, Gerard "Monty" Montembeault, who along with Eva, strongly believed in investing in organizations dedicated to improving the lives of the people of New Hampshire. It is dedicated to those service providers at local non-profits and city and state agencies who work tirelessly to ensure that critical services are continually offered and available to children, individuals and families in our community.

Sincerely,

A handwritten signature in black ink that reads "Patrick Tufts". The signature is written in a cursive, flowing style.

Patrick M. Tufts, MSW
President & CEO
