

Community Caregivers

Cindee Alice Tanuma, Executive Director

1B Commons Drive, Unit 10

Londonderry, NH 03053

Dear Community Caregivers,

Thank you for your donation of 4 manual wheelchairs, and 8 walkers to Joni and Friends *Wheels for the World* on 3/30/2017.

These wheelchairs and equipment will be transported to a prison based Restoration Center in Massachusetts where they will be restored to like-new condition. They will then be shipped overseas in an ocean freight container and be met by a volunteer team of seating specialists and wheelchair mechanics. Finally, they will be lovingly fit to an individual with disabilities in a less resourced country. Your contribution is greatly appreciated!

Thank you,

Elizabeth Kelly

Supervisor, Wheelchair Collection
